Budget

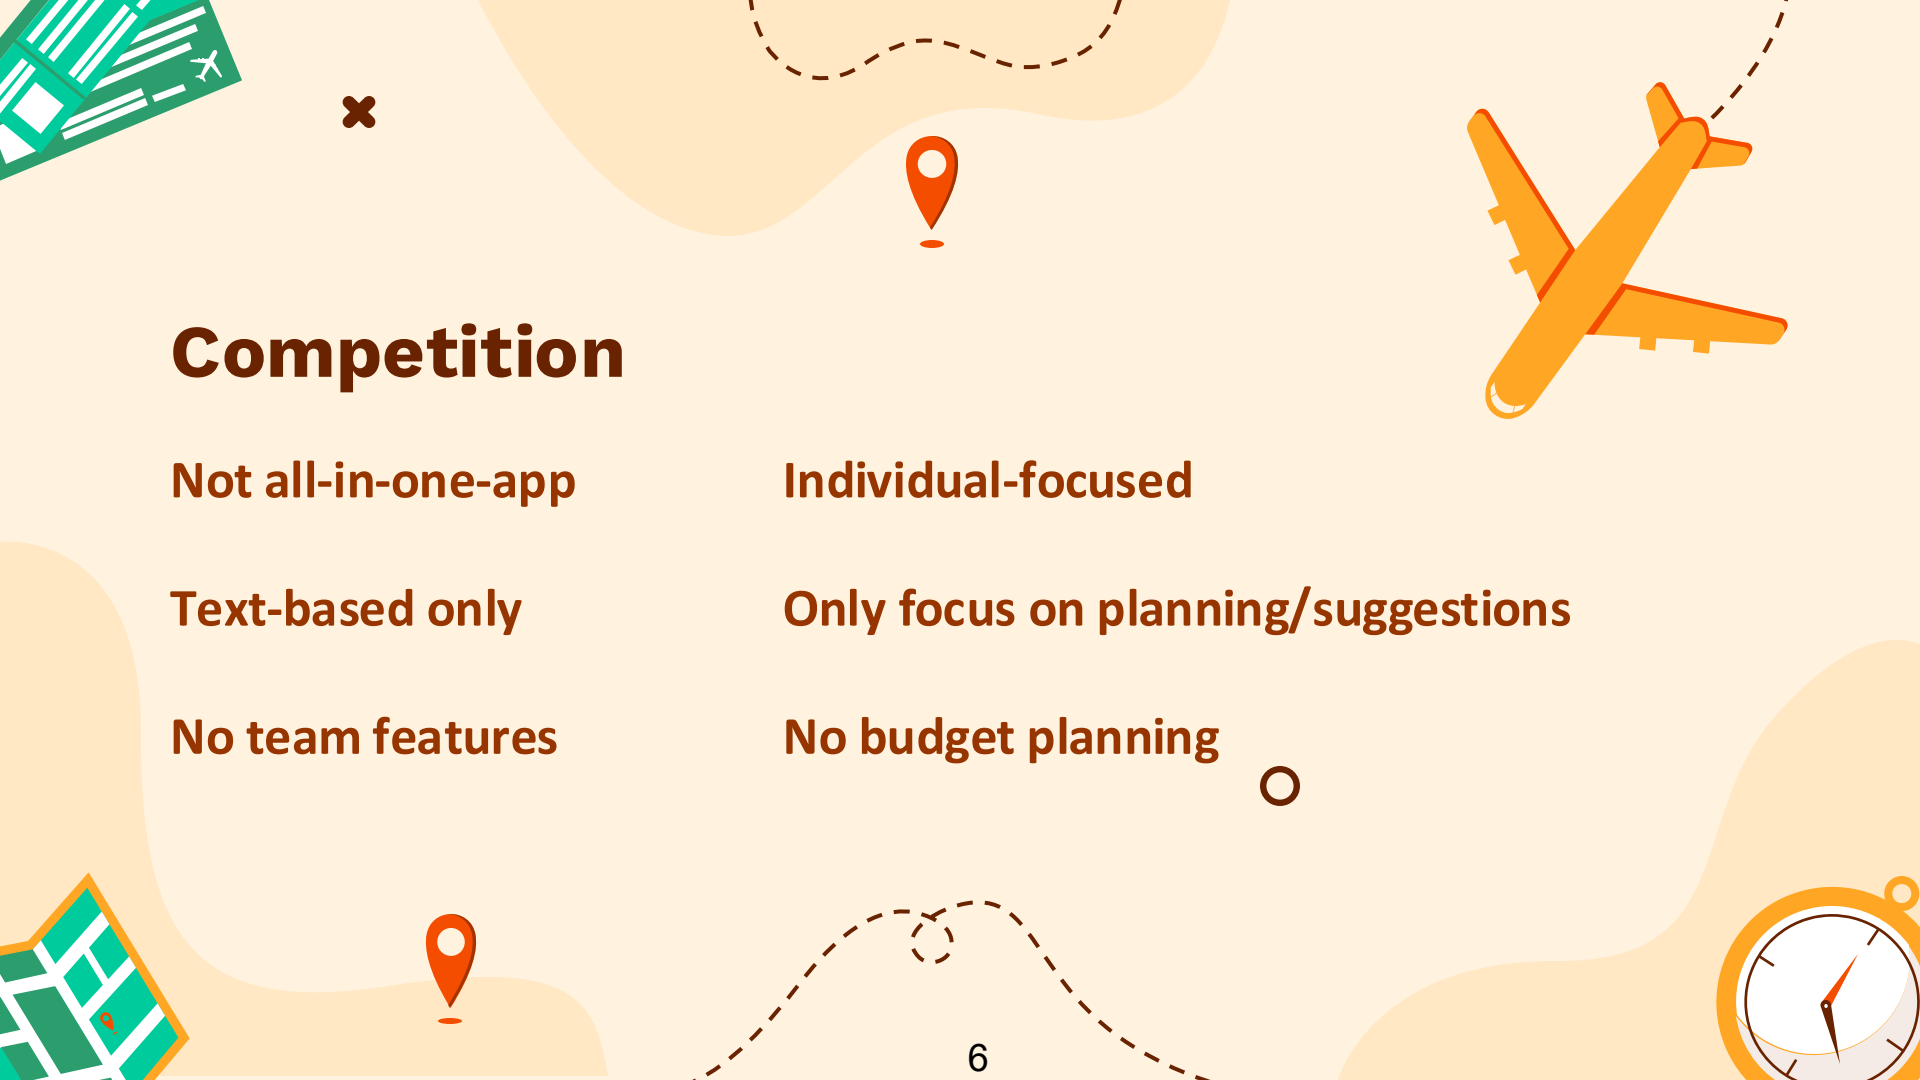

2000€ per annual

Inspiration

Competition

	Name	Group Planning & Coordination	Playful Inspiration	Integrated Platform	Team communication
1	Travi	✓	✓	✓	✓
2	Trip Planner AI	✗	✗	✗	✗
3	Booking.com AI	✗	✗	✓	✗
4	Layla	✗	✓	✗	✗
5	Troupe	✓	✗	✓	✓

Competition

Not all-in-one-app

Individual-focused

Text-based only

Only focus on planning/suggestions

No team features

No budget planning

Why is there currently no app for this?

High complexity of requirements

Market fragmentation & niche focus

Low monetization & competition

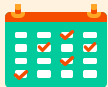

Data protection & payment integration

UX (User experience)/UI (User interface) challenges

What sets us apart?

All in one app

**Simple travel
planning**

Playful handling

**AI-Powered
Planning**

**Integrated
Platform**

**Team
Communication**

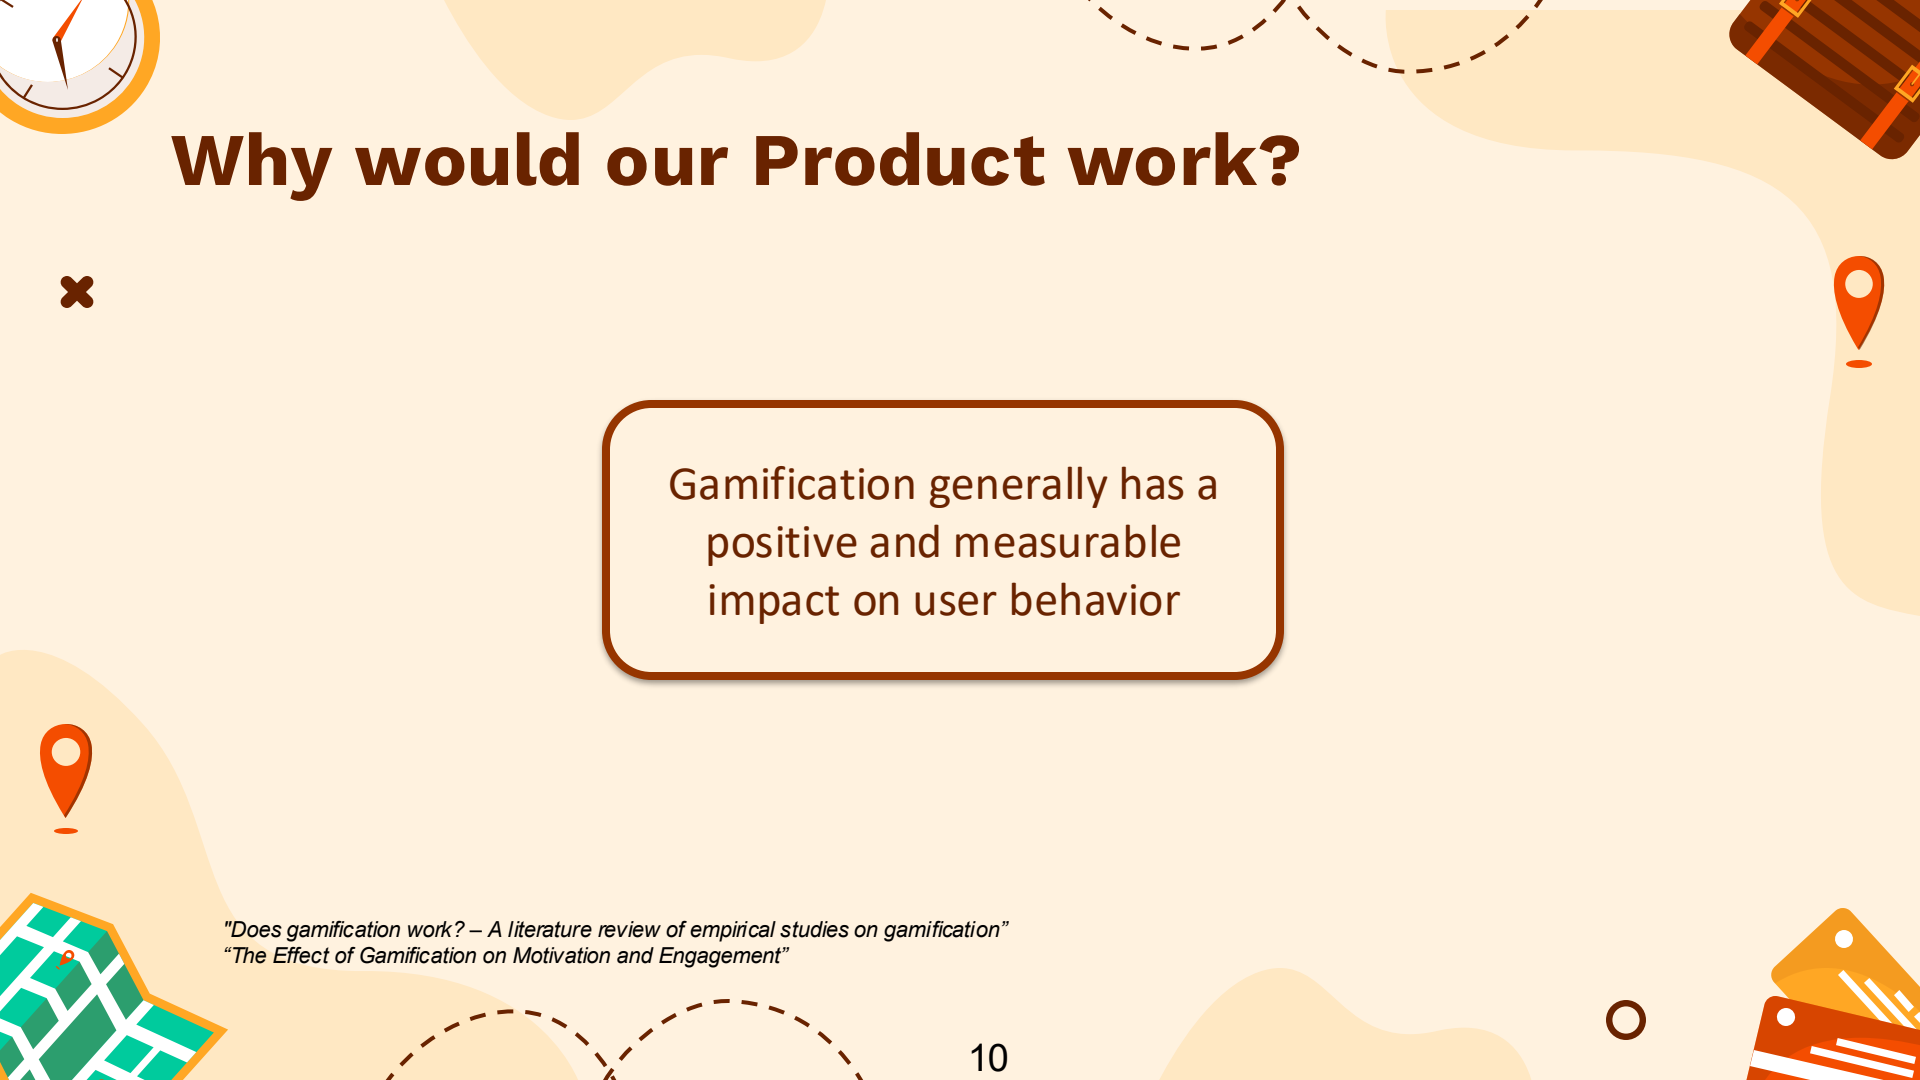

What makes us special?

Intelligent AI-supported
group recommendation

Seamless transition from
individual to collaborative
planning

Playful and intuitive
destination discovery

Why would our Product work?

Gamification generally has a positive and measurable impact on user behavior

"Does gamification work? – A literature review of empirical studies on gamification"
"The Effect of Gamification on Motivation and Engagement"

Malediven, Asien

Schnorcheln, Luxus & Overwater-Träume

Next Steps

- ▶ Further development of the prototype and its features
- ▶ Testing different prototypes with users
- ▶ Development of business model canvas
- ▶ Get more feedback on the app

Guiding principles

Mission

Focus on concretely solving the current problems in group travel planning, especially for Gen Z, by making Travi a simple, efficient and transparent solution.
