

Crazy Eights

1

Swipe duel:
Two travel destinations compete against each other – everyone votes in comparison mode.

2

Emoji voting:
Users respond with emojis instead of swipes

3

Matching personality test: Goals that match group dynamics and travel style

4

Visual Vote Map:
Interactive map where all favourites are visible as a heat map

5

Chatbot mode:
A bot moderates decision-making and resolves ties.

6

'Travel Roulette':
Random suggestion based on group preferences

7

Story Swipe:
Destination is presented as a story (image + text), then swiped

8

Daily challenge:
Every day, a new group voting challenge on a specific topic ('Sea or mountains?')
